MEMORANDUM FOR:

FROM:

SUBJECT:

Draft MOU and Non-Disclosure Agreement

STAT

John Tipton called this afternoon to say that GAO would like to request the following changes to the draft Memorandum of Understanding (MOU) and Non-Disclosure Agreement.

MOU

- Para 1) delete the word "complete" in the last sentence.  
We discussed some matter that we might handle orally.
- Para 2) correct spelling "originated" in line 2
- Para 3) delete sentence 2 and 3. His main reason for this seemed to be that with them included it could appear that we were withholding information from them. Tipton said in their view we are protected by the provisions of para 7 from anything GAO may want to publish. He indicated that House Judiciary would probably want to publish something to prove that a new thorough inquiry had been made.
- Para 9) does this apply to the people who will have access to our material here at Headquarters or to anyone within GAO who might review the report?

Signature line - add General after United States

Non-Disclosure Agreement

- Para 15 change "an" to "any"
